

# KLEIN LACAN DIALOGUE SERIES

The Klein-Lacan Dialogue Series is a continuation of the Klein-Lacan Dialogues of the mid-1990s. The seminar series will take place at UCL. The seminar series is sponsored by Therip, the Psychoanalysis Unit at University College London, the Centre for Psychoanalysis at Middlesex University and the Research Department at the Royal College of Art.

The seminars are geared at comparing and contrasting some main psychoanalytic concepts as they have been developed by these two schools of thought. Speakers will address the issues from both a theoretical and a clinical perspective.
